Safety Tag Range

SDT-x

Safety tags have a range of variations to suit your needs. The benefits of Cirlock's Safety tag range include:

- Printed on Polyart (synthetic paper) for long life
- Durable
- Resist grease and water
- UV Stabilized
- Available ex stock

Material:	<p>Polyart® is a natural for applications demanding the printability and converting characteristics of paper as well as the durability of plastic.</p> <p>Resistant to tearing and water, Polyart is an ideal substrate for outdoor applications.</p> <p>Resistant to oily substances and most chemical products (i.e. ammonia, caustic soda, isopropyl alcohol).</p> <p>Can withstand extreme heat and cold, remaining dimensionally stable up to 60° C / 140° F and down to -60° C / -76° F.</p> <p>Due to its good UV resistance and weathering characteristics, Polyart will not shrink or become brittle.</p>
Dimensions:	140mm x 75mm
Manufacturer:	CIRLOCK
Pack Sizes:	5, 25, 100, 500 and 1000 (with some exceptions)
